

How Far Is Europe Swinging to the Right?

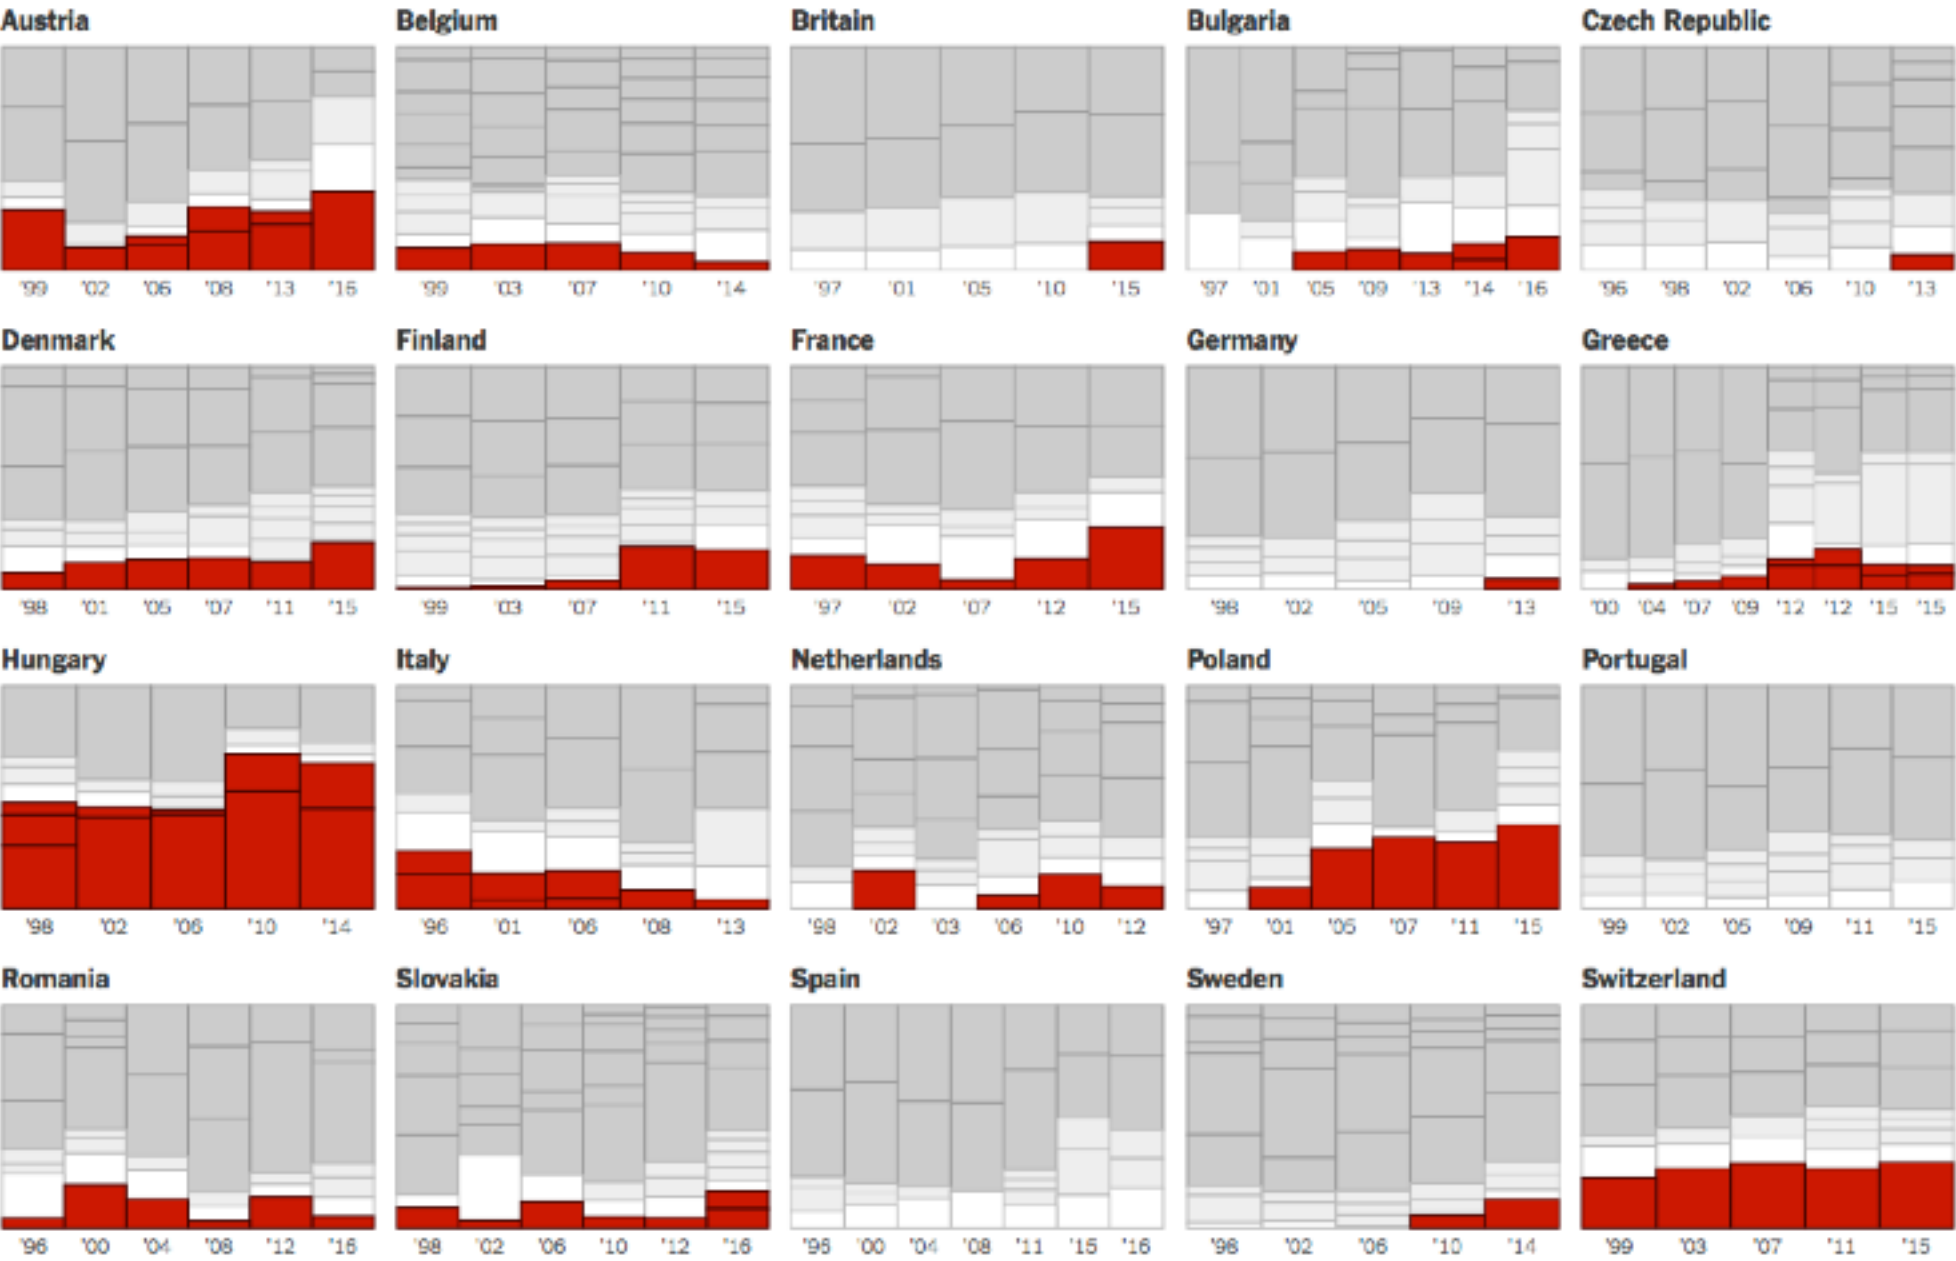

By GREGOR AISCH, ADAM PEARCE and BRYANT ROUSSEAU UPDATED December 5, 2016

Amid a migrant crisis, sluggish economic growth and growing disillusionment with the European Union, right-wing parties in a growing number of European countries have made electoral gains. The right-wing parties included below range across a wide political spectrum, from populist and nationalist to far-right, neo-fascist.

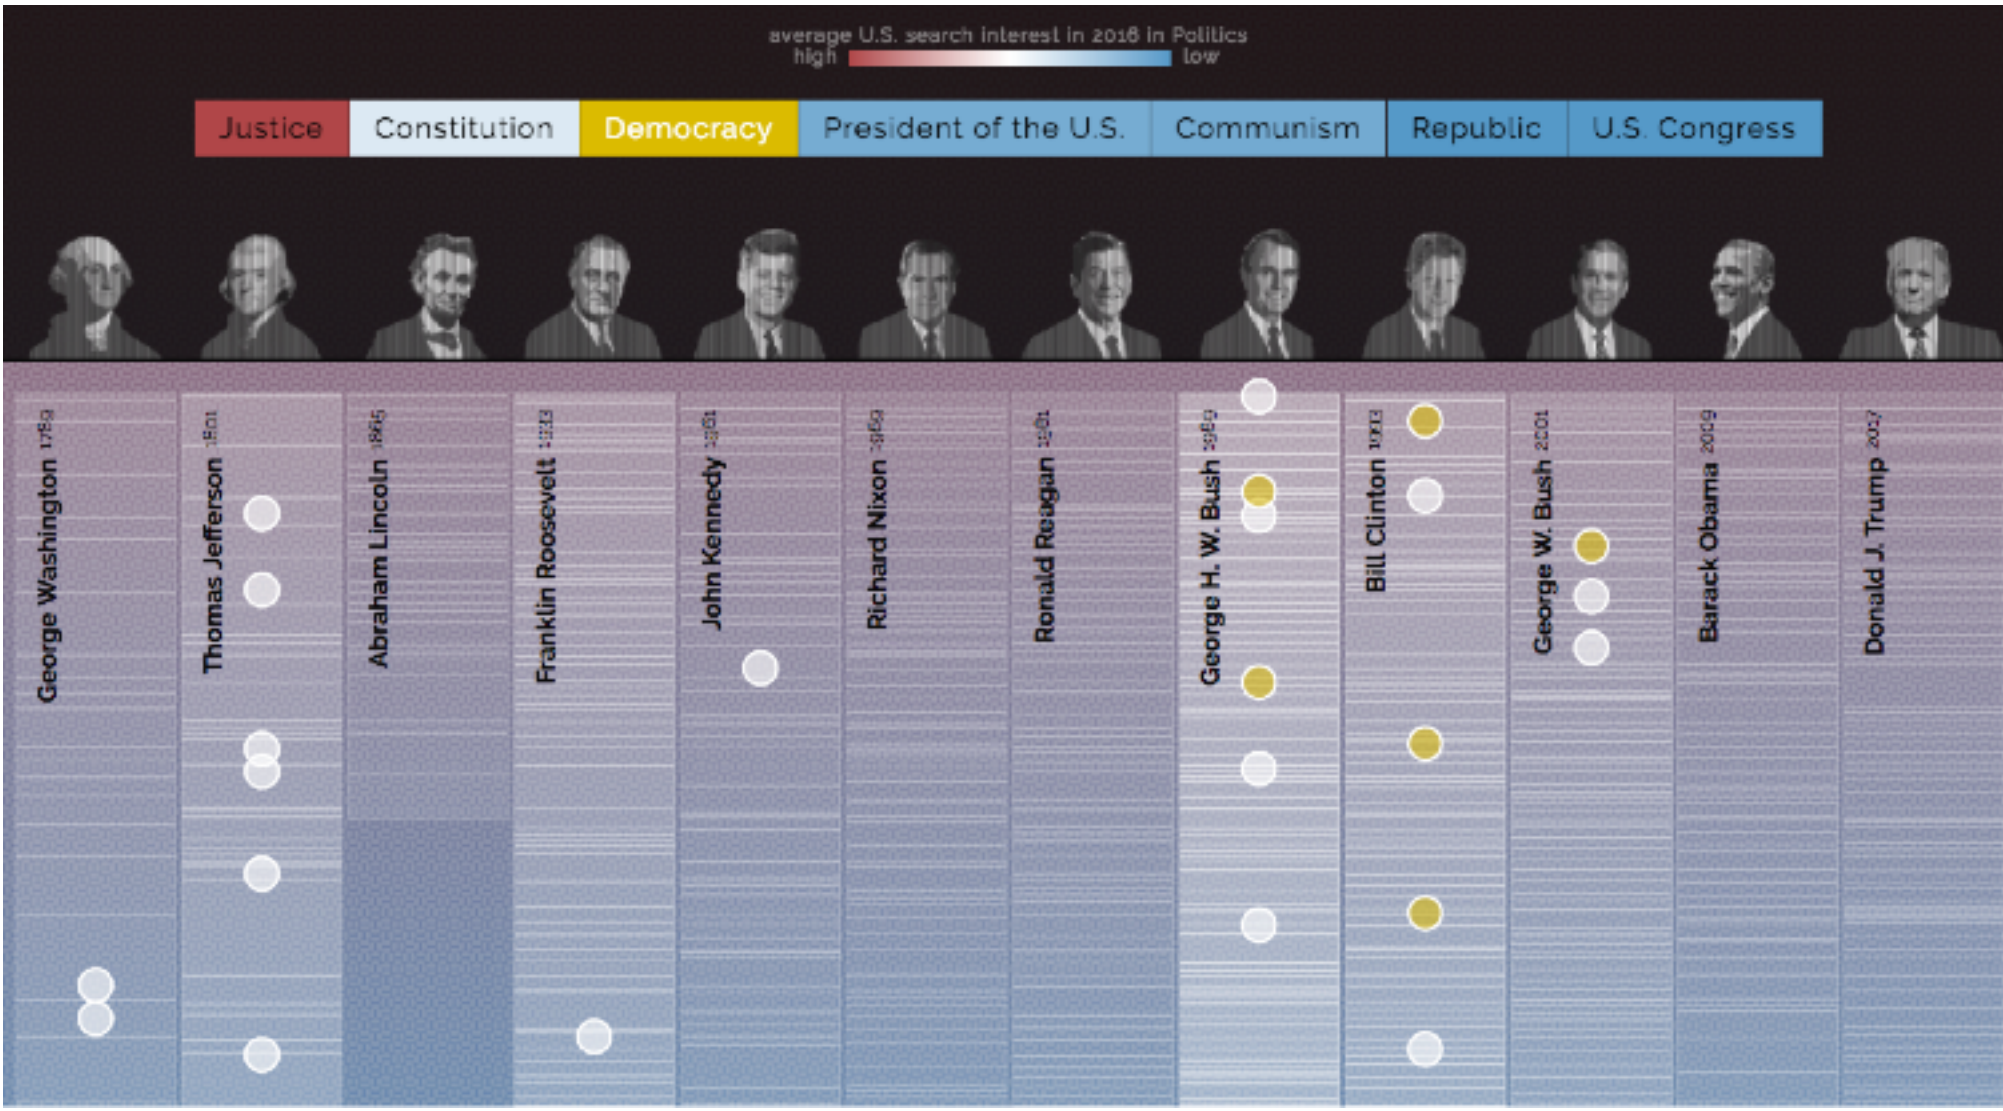

Journalists

Party ideology in parliamentary elections*

Center-left, center-right Other parties Right-wing and far-right

*The 2016 presidential elections in Austria and Bulgaria and the 2015 French regional elections are included to add a more recent result for those countries.
